PILLOW SHAMS AND BUREAU SCARFS.

On our last trip to New York we closed out a quantity of Hemstitched and Cut-work Pillow Shams and Bureau Covers. They are best makes and best styles. The reason for such low prices is that but few of the Bureau Scarfs match the Pillow Shams. In other words, they are odd lots of new goods—all they had at a price—and will be sold in single pieces or as sets, as desired. These values will not be with-in reach when needed for Christmas gifts. Better buy when but little more than half the money pays the bill. Prices Saturdays: 19c, 29c, 39c, 49c, 59c, 69c and 79c each. You will notice that 79c buys one of the best pieces.

Pants for the Workingmen!

Our lines of Workingmen's Pants are growing in popularity daily. The good things workingmen say about our Pants advertise them better than we could hope to advertise them ourselves. Cut roomy and easy at every point. Buttons don't come off, seams don't rip and material strong and durable—in fact we don't know of a single thing that could be done to our Workingmen's Pants that would better them. All we want is to have every workingman give us one trial on Pants and he will be our patron ever afterwards, and we believe that we will finally sell all the Workingmen's Pants sold in town. Prices always moderate here—\$1.00 to \$3.00 per pair.
